## **FAIRVIEW HEIGHTS LOCAL JACOB SUNROOM & EXTERIORS NAMED OCTOBER 2010 NATIONAL ASSOCIATION OF HOME BUILDERS REMODELER OF THE MONTH**

September 10, 2010, Washington, DC— Jacob Sunroom & Exteriors in Fairview Heights, IL was named the National Association of Home Builders (NAHB) October's Remodeler of the Month. Jacob Sunroom & Exteriors was selected through a stringent judging process as they are up against hundreds of other remodeling companies from all around the country. After completing their review of the entries the NAHB stated "Jacob exemplifies the best in their industry."

Jacob Sunroom & Exteriors is highly regarded and detail oriented when it comes to customer service. Creation of their "Forever Warranty" has taken their commitment to excellence to new levels in the remodeling industry. The company has a showroom for potential customers to come by and look at life size samples of the products they are considering for their home. Jacob has two divisions: First is the remodel side that includes windows, siding, leafproof gutter, roofing, and Radiaflex reflective insulation. Second is the leisure living division which includes your backyard vacation products such as sunrooms, decks, retractable awnings, solar shades, pergolas, patio covers, and decks. Jacob Sunroom & Exteriors success can be attributed to the company's commitment to their slogan "Where Quality Counts" Since 1977. This good old fashion way of doing business has made them one of the Nation's leading Remodelers. Scott Jacob, President, has been an extremely active member with the local HBA since 1982 and served as President of the HBA in 2004 and also was Chairperson for the local Remodeler's council in '98. Jan Jacob-Bisso, Vice President, has served as President of the Fairview Heights Chamber of Commerce. Jan continues to remain active with the Chamber and has been a volunteer for the St. Louis Better Business Bureau since 2003. The company was founded by James D Jacob Sr. (Jake) and James D. Jacob Jr. (Bud) 33 years ago. In 2004 the BBB presented Jacob the coveted "Torch Award" for excelling in customer satisfaction. Jacob Sunroom & Exteriors has taken on many community projects over the years and continues to give back to the industry and neighborhoods making them an obvious choice of this prestigious recognition.

The purpose of the NAHB Remodeler of the Month award program is to celebrate local, active remodelers who stand out because of quality work, customer service, community involvement, and dedication to furthering the industry. The winner, once selected by the NAHB Remodelers, is profiled in the national publication *Qualified Remodeler* magazine.
